

# Auralex® Roominator™ Kits

From home recording studios, edit suites and remote trucks to home theaters, home offices, and more, **Studiofoam® Roominator Kits** offer pre-configured, complete solutions for a variety of sound control challenges at an attractive price. Purchasing these **Auralex** products in kit form saves you money when compared to buying the pieces individually. Each **Roominator Kit** may include a combination of **Studiofoam** panels, **Studiofoam** bass traps, diffusers and mounting adhesive.

You can also use our **Free Room Analysis Form** for professional guidance from our **Product Application Specialists** to find out which **Roominator Kit** is best for your application.
